

Celebrating 50 years

Attention all riders, coaches, officials, who have taken part in Springston Trophy

In 2022 Springston Trophy is celebrating 50 years. The organising Committee of this event is working on a book to be released leading up to the event.

Much of the book will be recollections of those who rode at, coached at, organised, spectators, officiated at this prestigious South Island event. I imagine you are widespread so am asking if you would like to contribute to the memories that you write them down and send them to

Anne Atkins
4 Leithfield Road
RD1
Amberley 7481
or email to
anneatkins49@ gmail.com

Please where possible attach a photos in jpeg format. If you have originals please enclose them and they will be returned after copying. Professional photographer will be contacted by us for consent to use images

We are especially interested in hearing from those who road in years 1972 - 1990 so if your Mum, Dad, Aunty or Uncle rode or coached in those years please pass this on to them and ask them to please write something .

Please include what years you participated, your name (if changed), any funny or unusual stories, where did you stay how got there. These stories will build a picture of the changes over the decades. All contributions will be acknowledged in the book. We would like contribution no later than August.

We know many riders have gone on to be coaches so let's hear from you all. You will make the story .

Looking forward to your stories

Anne Atkins ph 0272839072
